Holcim (Australia) Pty Ltd submits its quote/tender on the basis of Holcim's standard terms of sale, a copy of which can be found on Holcim's website at: <https://www.holcim.com.au/terms-and-conditions-sale>, and the Humes terms and conditions for quotations and order confirmations <https://www.holcim.com.au/humes/terms..> Should your company place an order or request that we undertake any work in connection with the supply of products, you will be deemed to have accepted Holcim's standard terms of sale and the attached Humes terms and conditions. Holcim excludes and rejects any terms and conditions contained in any request for tender, tender package, purchase order, Contract or any other document you may issue in connection with the project.

PRICING:

- Quantities, classes and specifications quoted need to be checked by the client. Humes accepts no responsibility if quantities differ project requirements.
- Our offer does NOT allow for any Liquidated damages.
- Prices quoted are based on a Schedule of Rates only (not Lump Sum).
- Rates are supplied for the complete order and exclude GST. Please note that any variation to the supply scope may require re-pricing.

DELIVERY FOT:

4. Price includes delivery FOT (Free on Truck) to site (unloaded by others). All handling associated with unloading (craneage, lifting equipment, etc) and rotation (where required) is to be done by others at no cost to Humes.

DELIVERY REQUEST NOTICE PERIOD:

11. In order for Humes to organise freight logistics, delivery requests must be made and finalised at a minimum of two (2) business days prior to the requested delivery date. Hume may be unable to facilitate delivery requests or changes within this two (2) day window.

12. If changes to the delivery can be facilitated once the minimum two (2) business day notice period has passed, an additional freight service charge may be applied.

QUALITY ASSURANCE:

16. Price is based on the use of a TMR approved concrete mix design (50MPa); and reduced rate of concrete sampling.

17. Where Material Data Reports are required, these will be issued on project completion or 28 days, whichever is greater, in accordance with the appropriate standards/specifications. Should the project require additional Material Data Reporting (e.g. 7 day reporting) this is subject to variation costs.

18. All Lifting points will be certified and have RPEQ sign-off

21. Humes manufactures to its own standard priority drawings for Precast Concrete Pipes, Box Culverts and Headwalls. Where required the Box Culvert drawings are approved by DTMR.

22. Returns:

Humes will not refund or accept returns on special, made-to-order or non standard goods (including, but not limited to, Large Box Culverts, MRTS Headwalls, Jacking Pipes, Precast Concrete Pipes Class 4 and above or any Pipes over 900mm in diameter). Any request for items to be

returned will be at the discretion of Humes and subject to Humes Service Fees: <https://www.holcim.com.au/humes/service-fees>

NOTE: Made-to-order / non standard goods are all goods outside of 375DN - 900DN Class 3 Concrete Pipes and any Box Culverts over 1200mm x 1200mm.

23. Steel Supply: Where any goods to be supplied by Humes require steel in the manufacturing process:

(a) You acknowledge Humes ability to obtain steel may be impacted due to unavailability or shortage;

(b) If Humes is unable to obtain sufficient steel to supply the goods or to meet the delivery schedule, it will notify you; and

(c) Humes will be entitled to an extension of time for any such periods and will not be liable for any failure to supply the goods, or any delay in supplying the goods, resulting from a shortage or unavailability of steel.

24. Termination for convenience: Where you terminate or cancel an order for your convenience, you must pay Humes for all goods delivered or ready for delivery, Humes reasonable costs of raw materials purchased specifically for the order, all part completed goods and Humes reasonable and verifiable set up costs of manufacturing the goods at Humes plant.

Thank you for the opportunity to quote. For any further assistance please do not hesitate to contact the Humes Central Queensland Sales Team.

Terms and Conditions for Quotations and Order Confirmations

General

1. This quotation is subject to the standard Terms and Conditions of Sale for Holcim (Australia) Pty Ltd., available on request from your local Humes sales office or at www.holcim.com.au. The following terms and conditions in this quotation/order confirmation take priority over the Holcim Standard Conditions to the extent of any inconsistency.
2. This quotation is valid for a period of 30 days from the date of issue, unless otherwise noted.
3. All prices in Australian Dollars and all prices exclude GST.
4. Quotation is for the entire supply of the goods. Once an order is placed and if any goods remain undelivered, Humes reserves the right to charge the remaining goods in full to the customer's account.
5. Quantities quoted are approximate only and should be confirmed prior to placement of order. Humes reserves the right to review prices, prior to confirmation of order, should quantities and/or specifications vary from those quoted.
6. Prices are quoted in metres unless otherwise noted.

Payment

7. RCBC and other Made-to-Order items may be invoiced 90% of order value on manufacture and 10% of order value on delivery.
8. For all non-account customers, payment must be received prior to shipment of the goods.

Quality

9. Quality Assurance: Humes has implemented Quality Assurance programs at all factories and has obtained certification to ISO9001:2015.
10. Surface finish will be to Class 2, unless otherwise noted. Cover to reinforcement will be B1, unless otherwise noted. Colour variations may occur.
11. We offer steel reinforced concrete pipes in accordance with Australian Standard specification AS/NZS4058-2007 'Precast Concrete Pipe' (Non-Pressure Pipes) and the cover requirements therein specified, unless otherwise noted.
12. Reinforced Concrete Box Culverts (RCBC) are manufactured to AS1597 unless otherwise noted.
13. Other Precast Concrete products are manufactured to AS3600 unless otherwise noted.
14. Applicable fill heights are for installed products only and do not allow for construction loadings. Consult your Humes sales office for fill height details.

Exclusions

15. Prices do not include rubber rings, external bands, bituminous tape/primer (Denso-tape or equivalent), mastic, corrosion inhibitor, protective coatings, grout or epoxy and/or assorted products, unless otherwise noted.

20. Humes does not supply Reid's Swiftlifts or other lifting clutches.

Lead Times

21. Manufacturing lead-times are subject to availability at the time of order and must be confirmed at that time. Lead-times may be different to the ones stated at the time of the quotation.
22. Humes requires 48 hours' notice to arrange shipment. If less than 48 hours' notice is given, Humes reserves the right to charge a delivery surcharge. Special goods may require more notice. Check with your local sales office.

Transport

23. Humes can load vehicles Monday - Friday 7am to 3pm, excluding public holidays. Deliveries outside these times must be agreed in writing and may incur additional charges.
24. Prices are quoted for metropolitan delivery only unless otherwise noted or other arrangements have been agreed in writing.
25. Unloading: Transport will be on Truck delivered to the recipient's site, to be unloaded by others, unless otherwise noted.
26. Unloading: Transport of Reinforced Concrete Pipes up to DN1200 will be on Ground at the recipient's site unloaded by us, unless otherwise noted. **Please note that all deliveries in The Northern Territory are quoted as "Others To Unload"**
27. Deliveries are based on 1 drop with clear unobstructed access to site. Additional drops will be charged at the rate of \$350 each.
28. Quotation allows for a maximum of 1 hour unloading time. After this initial time, additional waiting time will be charged at \$360/hour for every hour or part thereof.
29. Delivery is subject to a 10 tonne minimum load for metropolitan deliveries, except WA. Deliveries under the minimum load will attract a minimum load fee equivalent to the cost of a 10 tonne load. Delivery to site is based on access by semi-trailer or equivalent. Surcharges may apply in case of delivery site restrictions requiring delivery on smaller vehicles.
30. Delivery to non-metropolitan areas (>75km) is subject to a 20 tonne minimum. Deliveries under the minimum load will attract a minimum load fee equivalent to the cost of a 20 tonne load. Delivery to site is based on access by semi-trailer or equivalent. Surcharges may apply in case of delivery site restrictions requiring delivery on smaller vehicles.
31. Wet weather may result in delivery cancellations. Humes reserves the right to charge transport and double-handling fees if cancellations are made less than 24 hours before the goods were intended to be loaded.
32. Notwithstanding any other provision of these Terms, including any Special Terms, Holcim may change the Price at its discretion by giving the Customer no less than 4 weeks' notice at any time if there has been a material increase in for example but not limited to the cost of supply of the Goods and Services. In doing so Holcim must act reasonably.

Storage and Handling

33. Humes reserves the right to charge Storage and Handling Fees of \$35/day/unit for standard goods that remain undelivered 30 days after the agreed delivery date.

34. Humes reserves the right to charge Storage and Handling Fees of 10% of the invoice value of the good per week per product for non-standard goods that remain undelivered 30 days after the agreed delivery date.

Returns

35. Standard goods may be returned if clean, free from defects and of saleable quality. Notwithstanding clause 53 of the Holcim Standard Conditions, standard returns will be charged a 30% re-stocking fee plus the cost of return transport and handling.
